STATOTHR

This is to acknowledge receipt of your letter of 6 September 1952 in which you requested certain information of a financial nature in connection with the death of your daughter, 

25X1A

The personnel records of this Agency do not indicate that she carried any government insurance while an employee of this organization.

The amount of your daughter's contributions to the Civil Service Retirement Fund, and the beneficiary properly entitled to them are matters over which the United States Civil Service Commission has jurisdiction. Therefore, you should direct your inquiries or any claims you may feel you have upon your daughter's retirement benefits to the Retirement Division, United States Civil Service Commission, Washington 25, D. C.

Any compensation owed your daughter by this Agency, such as wages or unused annual leave, which was unpaid at the time of her death, must, by law, be paid to her husband, unless she had designated otherwise. Since she made no such designation, the surviving spouse is entitled to this unpaid compensation pursuant to Section 2 of the Act of 3 August 1950, P. L. 636, 81st Congress.

It is hoped that you now have the information that you were seeking. If we may be of further service to you please do not hesitate to call upon us.

Sincerely,
